MEMORANDUM TO: Returning Cadets

SUBJECT: Fitting of Old Uniforms

Optional uniform inspections will be conducted, by appointment only, in the Press Shop from Tuesday, 15 July, to Thursday, 14 August 2008. The hours are from 8:00 AM to Noon and from 1:00 to 3:00 PM. The Press Shop is closed Saturday and Sunday.

The purpose of this inspection is to evaluate your present uniforms for fit and condition, determine the number of uniforms you may require and complete alterations which may be necessary prior to your arrival. It is to your advantage to report for this uniform inspection as it will permit your garments to be altered and refurbished during the summer months. If you live more than two hours away from Valley Forge it is not required to conduct a uniform inspection during the summer.

Any new garment you may require will be ordered by the tailor after measurement. Please bring or wear a pair of low quarter black or brown shoes when you report for the inspection.

Please call the Press/Tailor Shop Manager to schedule an appointment. The Press Shop is open, between 8:00 AM and 3:00 PM, Monday through Friday. The telephone number is (610) 989-1436.

FOR THE PRESIDENT:
