Todd D. Lyle ’83, MS

Todd Lyle ’83 has become a leader in cloud computing with a focus on the human element. Being well aware of the growing potential of cloud computing, in 2007 Lyle launched Duncan LLC to participate in this exciting new industry. At Duncan, Lyle assembled a business and technology savvy team that created ingenious cloud computing service bundles that focus on affordable and customer-centric solutions for the business world.

While running Duncan LLC, Lyle wrote of his enthusiasm for the potential of cloud computing. This attracted the attention of Gartner (NYSE: IT), an internationally recognized information technology research and advisory company. In April 2012 Gartner awarded Duncan LLC “Cool Vendor” status. Gartner defines a Cool Vendor as a company that offers technologies or solutions that are innovative, impactful, and intriguing. Encouraged by this recognition, Lyle decided to for the everyday business person and the result is this book. May it the information and motivation you need to benefit from the many cloud computing can bring to your organization. We wish Todd the best of book and congratulate him on his goal of educating everyone.

Steve Harris ’66

THE man chosen to contest the Portsmouth South seat for Ukip in the upcoming election has said he wants to bring more work into the dockyard.

Steve Harris, a retired officer of the US Navy, was voted in at a party meeting last night.

He has spent time living in the Sudan, the USA and Hong Kong.

He attended Valley Forge Military Academy, and enlisted in the US Navy in 1966. He undertook three tours of Vietnam, completing a degree in history, political science and international relations between the first and second tour.

We would like to thank our Brother Dr. Barry B. Sandrew '66 for his visit on Campus on Saturday, January 17th and lecturing a group of interested Cadets in Hart Hall in the aspects of his processes of film colorization and 3D Cinema. He is not only a pioneer in these processes he is the inventor. It was a delight to entertain Barry and his wife Lori after the lecture with a group from the Alumni Association Board of Directors at the Landmark Grill, where all had a marvelous time and we could all catch up on old times and Forge stories. On Sunday Barry and Lori had breakfast with Dr. Stacey Sauchuk, President of VFMA&C and another group of cadets even though Chapel was cancelled by an ice storm. Dr. Sandrew will be becoming active in our Southern California Regiment in the near future and he enjoyed his return to his Alma Mater.

Valley Forge Military Academy and College
The Americas – Admissions

For generations students from across the Americas came to Valley Forge creating a unique student body rich in cultural Latin heritage. In recent years, for whatever reason, we seemed to have lost that vitally important element which made Valley Forge unique. That is about to change.

Dr. George E. Anderson has worked at VFMC for over a decade and has just been appointed Director of International Student Development and one of his most important goals is to reestablish our Latin American student body. How can our alumni support him in that effort?

We are asking the local regiments to sponsor private receptions for potential students in your local area. It does not have to be a great number of potential students perhaps 5-7 with parents. The plan is twice a year, (once in the spring and once in the fall) Dr. Anderson will travel throughout the region to attend those local gatherings speaking with both students and parents.

Nothing is more credible than our alumni sharing how Valley Forge affected their lives. In doing so, they will be able to make a very positive impact on the lives of the young students at home.

If you would like to help out in your local area, please contact Dr. Anderson at ganderson@vfmac.edu.

Alumni Appeal for Homecoming Silent Auction

Note to Alumni and Friends:

If you have an item that is unique and unusual and are willing to donate it to help support our annual Alumni Weekend Silent Action it would be most appreciated. Your donation will help support the activities of the Alumni Association and all that we do for our beloved Forge. Events we sponsor, for example the Academic Stars Dinners, Graduating Classes Dinner, The Cadet Officer’s Dining In, The TAC Officers’ Appreciation Dinner, Homecoming Weekend and much, much more. So if you can see it in your heart to help it would be a wonderful gesture.

We are also seeking Brothers and Sisters who can donate their time to help make Homecoming and even bigger success than in previous years. We don’t ask for a lot of time but any that you can spare is a definite help. If you wish to donate of your time please contact Tom Goldblum @ 610-989-1329 or tgoldblum@vfmac.edu.

Sincerely,

David Esqueda ’98, ’00C
Chairman of the AABOD

Joseph Bartasius ’81, ’83C
