

# National Board Awardee ROTC Packet Checklist

Congratulations on receiving an Ike Skelton (ECP) scholarship through the National Army ROTC Board. The ROTC Office at Valley Forge Military College must keep a file on you with the paper work below. It is important for you to understand that the ROTC Office runs as a separate Army Office. It is not part of Valley Forge Military College, which is a private school with "Military" in its name. Please ensure the following items are completed and in your packet when you send it in. Documents submitted to VFMC as part of a college admissions application are not viewed by the ROTC department. **VFMC ADMISSIONS and ROTC are two separate offices and two separate application processes.**
